Allusion Platinum 50" shown with Optional Boyd Build-Out Kit - Modern Farmhouse Style

Allusion Slim – NEW!

The Allusion Slim electric fireplace beautifully bridges expert technology and style. The ultra-thin, four-inch depth is one of the slimmest in the market, making it easy to recess or wall-mount almost anywhere. Create your perfect fire -- with or without heat -- from the comfort of your couch.

Features

- Four lengths -- 40", 50", 60", 72" offers a solution for any rooms and pairs perfectly with the most popular TV sizes
- Ultra-thin design enables a flush installation into a 2x4 wall
- Nine flame colors, five brightness settings, 13 ember bed colors
- Clear crystals, black crystals and logs ship standard
- Timer and thermostat included
- 5,000 BTUs of heat generated through hidden vents
- May be hardwired or plugged into wall outlet
- Control with buttons on the fireplace or with standard remote
- LED readout displays selected settings
- Optional Crestline wall mount surround available for 50" and 60" models with painted white finish

Allusion Slim 50" shown with logs and optional Crestline wall mount surround

Format

We all desire simplicity in everyday life. The SimpliFire Format wall-mounted electric fireplace is the easiest way to add a modern centerpiece to any space. The minimalist floating-mantel design, available in several lengths, fits your décor with multi-colored accent lighting to set the mood.

Features

- Minimalist floating mantel provides a clean, built-in look in an easy wall-mount design
- Available in 43", 50" and 60" sizes
- No mesh screen or visible heat vents
- Clear crystal media and ShadowGlo Alpine Timber log set come standard
- Enjoy year-round with or without heat
- Easy control with the intuitive, multifunction remote
- Control with buttons on the face of the fireplace or with the standard multi-functional remote

Forum Outdoor

The SimpliFire Forum outdoor electric fireplace is the easiest way to turn your patio or deck into a go-to oasis. Designed for outdoors and with the flexibility to place it anywhere, the Forum expands your livable area with freedom from propane tanks, gas lines or wood.

Features

- Big presence in 43" and 55" linear sizes
- Durable to withstand the elements
- Clean look with finishing materials to the edge or framed with included overlap front
- Four flame and 13 ember-bed colors to fit your mood
- Pick the look you want, from clear crystals or driftwood logs with glowing embers
- No heat allows you to safely place a TV or artwork directly above your fireplace
- Easy remote control
